

MOBILE PROTECT & GO FOR PAX A77

PROTECT YOUR DEVICE AND MAXIMIZE ITS POTENTIAL

Expertly designed for the Pax A77 mobile payment device, Mobile Protect & Go provides an extra layer of protection against drops. All device features including the 5.5" touchscreen, scanner and camera remain fully accessible while the soft-grip material provides an improved grip experience. Compatible with the Pax OEM drop-in charger, this Mobile Protect case ensures optimal operational availability.

- Designed to protect the device and touchscreen from drop damage with wrap around impact absorption strips
- Easy-grip design and optional belt clip and lanyard provisions allow the user to safely and comfortably transport the device around the working environment
- Easy access to the camera, scanner and charging port to maximize seamless operation
