

CHARGE & COMMS STANDS FOR VERIFONE E355

MERGE YOUR MOBILE TECHNOLOGY WITH A SECURE CHARGING STAND

Available in Square Base and Wedge Base options, Havis's Charge & Comms Stands for Verifone e355 help to protect the device and ensure it is always ready to go mobile.

While the Wedge Base offers a neat, fixed angle stand, the Square Base is ideal for those who want tilt and rotation functionality. Both options use the same smart engagement mechanism to guide the device into the stand for charging.

When associates need to go mobile, the device can be removed from the stand quickly and easily. For those that wish to use the devices in a fixed format only, a simple security screw ensures the device is locked in place.

- Integrated charging and communication
- Protect devices and allows for easy removal of device from stand for mobile use
- Ability to secure device to stand for fixed use
- Easy installation - choose from screw mounted or glue mounted options
- Modern design with minimal footprint
